Overview

It's a great time to develop your career with Primafruit. We're a fast-growing business with a strong team of people. Defining and fulfilling the very best standards in fresh produce supply is what we're all about.

Your role will include

As a Line Leader you will be relied on to ensure specified product quality is achieved in line with job descriptions, using correct product and packaging. You will need to plan and manage the set-up and clean down of machinery effectively. You will also be relied on to ensure a high degree of health and safety standards are maintained at all times.

Key skills

We're looking for a number of people to join our production team. Our new colleagues need to be efficient and organised whilst being able to motivate their teams.

We are ideally looking for people with the ability to:

- Manage a team of up to 20 people
- Run production lines
- Communicate effectively with all areas of the business
- Make business decisions

We are looking for a dynamic individual who has good people skills, can keep pace with the business, can think on their feet and has a good eye for detail.

Shift pattern

A variable shift pattern equating to an average of 44 hours per week, including weekend work.
