

Business Systems Trainee

Fresh
opportunities

Closing date 11th May 2018

Overview

As part of the Fresca Group, the UK's largest independent fresh produce supplier, Primafruit is an Evesham-based company who source, pack and supply high quality fruit to Waitrose, one of UK's largest supermarkets. Our Vision is to define and fulfil the very best standard in fresh produce supply and our Mission is to create the right relationships.

The role

We're looking for a self-motivated, enthusiastic individual with excellent analytical and communication skills to join the Business Systems Team within our IT Department. The role will include gaining a working knowledge of and providing support to users with SAP and other applications. This position will be based at the Primafruit site, however the IT team are employed by, and part of the Fresca Central Team resource.

Key skills

The following would benefit successful application for the role:

- An interest in business and how IT functions facilitate continuous improvement.
- An effective problem solver with an aptitude for understanding processes and investigating issues.
- Excellent attention to detail with analytical and judgment abilities.
- Self-motivated and able to prioritise workload and meet deadlines.
- Customer focussed with good communication skills.
- Ability to work independently and as part of a team.
- Confident, reliable and flexible.
- Desire to learn new technologies and skills.
- Working knowledge of Windows and associated products.

Shift pattern

You will be based at our Evesham site where office hours are 8am-5pm Monday to Friday. The role includes occasional travel to other sites within the group and out of hours cover where required.

To apply
