

# Waitrose Implant (Customer Based Co-Ordinator)

Fresh opportunities

Starting Salary - £25,000

Closing date 18<sup>th</sup> May 2018

## Overview

It's a great time to develop your career with Primafruit. We're a fast-growing business with a strong team of people. Defining and fulfilling the very best standards in fresh produce supply is what we're all about.

## Your role will include

As Waitrose Implant you will manage the supply chain collaboration with Waitrose to maximise in store availability for both parties with a view to increasing turnover and sales whilst reducing wastage.

## Key skills

We are ideally looking for someone who can work closely within the Waitrose team to build and maintain relationships, who can be relied on to prioritise, organise and plan their own tasks. The following would also benefit successful application for the role:

- Effective and professional communication skills.
- Extensive knowledge of Microsoft Office.
- Good level of analysis experience.
- Previous knowledge of the fresh produce industry and supply chains.
- Confidence when preparing reports and figures for senior managers.
- Understanding of SAP would also be advantageous.
- Strong diplomacy skills.

We are looking for a dynamic individual who can keep pace with the business and think on their feet.

## Shift pattern

Your first 3 months will be based at our Evesham site where office hours are 8am-5pm Monday to Friday. After 3 months service travel to Waitrose head office in Bracknell will be required 2/3 days per week for this role.

Company Car, laptop and phone will be provided for the successful candidate.

## To apply
